**You CAN afford the smile you've always wanted! Good news on financing.**

We know that dental care can be expensive, but just like your health, we believe that your smile is priceless! You deserve to have a smile that you've always wanted.

We offer flexible solutions for you, and we can find a solution that works for your budget. There's no good reason to wait any longer. For your convenience, we are now accepting American Express in addition to Visa and MasterCard.

One of our patient's favorite options is Care Credit or Wells Fargo- these programs have been newly redesigned. We feel so strongly about you receiving the dentistry that you deserve, that we actually have paid the interest for you for 6-18 months! That's right, you can have 6-18 months financing interest-free!

**TCCRD Selected as one of Hampton Roads' "Health Care Heroes"**

**HealthCare  
HEROES**

We are honored to have been recognized by Inside Business as one of the 2010 "Health Care Heroes" in Hampton Roads. Our selection stems from our commitment to working in the community and giving back to those in need of dental and cosmetic dental services. In 2009, we volunteered at the Pankey Dental Access Days for The Oral Health Improvement Coalition of South Hampton Roads, which provides dental care at no cost. The recipients, underprivileged or victims of domestic abuse, are often unable to afford such restorative procedures. We support endeavors such as these whenever possible and are honored to be recognized.
