Make Your Smile The Resolution You Keep!

Happy New Year! As we move into a new decade, we want to wish you health and prosperity in the coming year and beyond. Are you ready to greet the New Year with a fabulous smile? Here are just a few suggestions for making 2010 the year you make it happen!

- We offer a variety of cosmetic bonding and whitening services that can give you a complete smile makeover almost instantly.
- If you use a Flexible Spending Account or dental benefits for health-related expenses, the New Year is a perfect time for a consultation. We can help you map out what's important to you when it comes to complete dental health and ensure you get the most out of your benefit plan.
- Have you scheduled a preventive care appointment? Taking that simple step can make a big difference in keeping a beautiful healthy smile and help you avoid expensive dental problems in the future.

Did You Know??? Dental Care Can Be A Health-Related Benefit.

In the past few years, many insurance companies have started recognizing the need for coverage of dental care for people with certain medical problems, ie. diabetes and heart disease. If you have any dental needs as a result of these or other medical conditions, sometimes a phone call to us or to your insurance provider is all you need to receive your benefits.

Blackberry, iPhone, Smart Phone Users Rejoice -
Online Account Access NOW Available!

Need to make an appointment, or reach us on the go? We now offer online account access that allows you to get account information, make appointments, electronic payments and more! For information, give us a call or [click on the patient login section](#) of our website and request a user name and password.

Toys for Tots Success - Making the Holidays Just a Little Brighter

We are thrilled that, thanks to the generosity of all of our patients and team, we were able to donate over 100 toys to the Toys for Tots organization, who distributes them to children in need. We'd especially like to thank hygienist Lisa Lewis and our scheduling coordinator Michelle Tarrant, who so graciously helped us coordinate the gathering and delivery of the gifts.

Business Owners: Have Questions About Dental Plans? We Can Help.

Do you have questions about or want to review your dental care plan? Or do you have a growing small business with employees who have been inquiring about dental coverage? Dr. Brown and Dr. Amos would be happy to meet with you individually or with your group to speak about dental and overall health and how to best maximize your benefits. To schedule a consultation, simply call Theresa, our seminar coordinator, at 757-546-5262 or Theresa@tccrd.com.

February is National Children's Dental Month

If you are a teacher or affiliated with a school, Drs. Amos and Brown would be happy to give a presentation. Contact Theresa at 757-546-5262 or Theresa@tccrd.com for more information and to schedule.
